

SPORTS SAVES SOULS

A CHARITY FOUNDED BY JEFF AND CHRISTINE SEROWIK

Sports Saves Souls is a non-profit charity established in 2003 by Jeff and Christine Serowik. The foundation's mission is to help aspiring hockey players who have faced emotional, physical, or financial adversities by giving them an opportunity to shine and strengthen their spirit through the great game of hockey.

Sports Saves Souls disperses their scholarships to players by:

- Paying League Fees
- Buying Equipment
- Paying Hockey Travel Expenses

Generous contributions have been made already as a result of the golf tournament at the New England Country Club and the "Old School" Night Out at the Roxy.

100% of your generous donations are tax-deductible and will immediately go toward providing scholarships to many deserving players.

Sports Saves Souls have established examples of full and partial scholarship options:

Scholarship Options

1. **Full Season Scholarship** \$2,000
 - a. Provides one player with try-out fees and association fees for a full year.
2. **Equipment Scholarship** \$1,200
 - a. Provides one player full hockey protective gear according to USA Hockey rules and regulations.

3. **Travel Expense** \$1,000
 - a. Provides one player a full season of hotel fees, food expenses, travel, etc.
4. **Partial Scholarship Option**
 - a. Any amount can be donated toward the scholarships listed above.
 - b. We will make sure that your partial scholarship is immediately combined with another to fulfill a full scholarship option.

Monetary donations can be given in any value! A \$50 donation is enough to buy a player new gloves! We have players that need new equipment for their season, and with your donations we can help.
