## How can you help?

By reading this newsletter you are already taking the right steps in helping with Sports Saves Souls. Everyone knows that hockey is an expensive game, and that it takes many special families to raise a hockey player. We are looking for these same families to spread the word about how we help aspiring hockey players who have faced emotional, physical, or financial adversities by giving them an opportunity to shine and strengthen their spirit through the great game of hockey." Encourage your friends and other great families to visit our website at:
